The Colorado River Commission meeting was called to order by at 1:05 p.m. followed by the pledge of allegiance.

A. Conformance to Open Meeting Law.

Executive Director George Caan confirmed that the meeting was in compliance with the Open Meeting Law.

B. Consideration of and possible action to appoint an Interim Executive Director by the Commission.

Chairman Ogilvie stated that it is his understanding that Item B would be discussed and voted upon by the Commission.

Mr. Caan replied that Chairman Ogilvie's understanding is correct. He stated that following his departure from the Commission, effective March 18, 2011, it is his recommendation that the Commission vote to appoint Deputy Executive Director James D. Salo as Interim Executive Director to carry out the duties of the Executive Director during the period in which the Commission recruits and appoints a new Executive Director.

Chairman Ogilvie and the Commissioners concurred.

Commissioner Miller moved to appoint Deputy Executive Director James D. Salo as the Interim Executive Director until such time as the Commission selects a new Executive Director. The motion was seconded by Vice Chairwoman Batjer and approved by a unanimous vote.

C. Consideration of and possible action on the process for recruitment of an Executive Director by the Commission.

Mr. Caan noted this Item will be added to future agendas as a status item at each meeting as the Commission progresses on the selection of a new Executive Director.

Mr. Caan reported that in mid-February the Commission sent out a recruitment announcement through the Nevada Department of Personnel for an Executive Director setting forth the responsibilities of the position and other relevant terms. The posting requested resumes and letters of interest to be submitted to the Commission by March 4, 2011.

He stated that the Commission received fifteen applications. He is reviewing the applications to ensure that the applicants meet the minimum qualifications that were established in the recruitment announcement. He will set up a committee of representatives consisting of industry customers and peers in power, water, and federal

agencies, to review the applications and compile a short list that will be recommended to the Commission. Upon completion of the panel's review, the recommendations will be forwarded to the Commission by the Interim Executive Director James D. Salo for further action.

Chairman Ogilvie asked for an expected timeframe.

Mr. Caan responded that he plans to have the review of applications complete, the committee selected, and his selections ready to hand over to the committee prior to his departure. The Interim Executive Director and Office Manager will complete the scheduling of interviews for the committee.

Commissioner Collins asked how many members are planned for the review committee.

Mr. Caan responded that he plans to have three to five members for the review committee.

No action is required for this Item.

The Commissioners expressed their appreciation and gratitude for Mr. Caan's professionalism, trustworthiness, excellent management of people and resources, and for his exceptional service to the Commission and the State of Nevada.
